

ERC POLICE STATE

Posted by lasercow - 03 May 2012 16:17

"Emergency Briefing Notes:

HELP!!

We are under attack.

A local activist complained this morning about Mary Montague being present inside a polling station. This contravenes the rules.

[Rules on candidates at polling stations](#)

Six minutes later TWO Police cars were at his home looking for him.

His wife was told to return home immediately to allow them in to search her home or they would smash the door down.

The CCTV cameras used for community policing in the area swung 180 degrees to watch his house.

Mary Montague was convenor for community safety which includes cctv control room and liaison with the Police.

If the Labour - SNP administration get back in, it looks like they will be hell bent on revenge.

Freedom of speech is under attack.

Make sure you and everyone you know vote to save East Renfrewshire.

Offer people a lift to the polling stations.

This is the tactics of Syria and Libya to suppress democracy.

This now is entirely in your hands to determine.

I know it sounds unbelievable but nevertheless it is happening TODAY.

Act now - while you can.

We need you to help

VOTE TODAY

Leaflets? that's pathetic!

But save the greenbelt aren't a party are they? Weren't the groups against the incinerator handing out leaflets too?

As I said before there is a huge banner along the back fences of Cheviot Dr. Sadly it is now overlooking a load of tree trunks that have been cut down and are lying on the grass.

Everyone can see this driving down the Ayr road so I reckon that would reach more people than the leaflets. Can they expect a police raid?

What a waste of time.

savethegreenbelt are an apolitical campaign group set up to inform people on ERCs ill conceived unwanted development plans to added 4000 houses into a local authority area with insufficient resources (including schooling) to cope.

What took place today, instigated by Montague must be publicised and then she can answer in a media spotlight.

Well at least she's consistent - everything she does beggars belief! I'm sure we'll hear the full story in due course - I've heard a bit more, but not sure whether I should write it in case of legal proceedings. Wasting police time etc.

Whatever they have done to temporarily silence Save The Green Belt (I'm sure we'll hear more about that too), the group has grown and spread throughout the whole area. They have won many new friends and are not going to disappear after today.

The only things missing were the helicopter and a swat team.

Officers surrounded the back and front of Tom's house.

Meantime MM is as I write, smiling sweetly, (not possible I know but you know that look like she's been sucking on lemons) at the polling station.

Maybe we should all go and engage with her to discuss her behaviour.

MM if you're in for another five years..... brace yourself!!!

If they are just a group and not political then what's the problem?

We need more groups like them. Their web site is very impressive and it's a sad site at Cheviot Drive and a lot of bitter people who have had to go through school "consultations" already due to this "plan";.

If there isn't a change in administration tomorrow maybe we need a new party that can make a serious challenge next time.

But fingers crossed.

This is unbelievable everyone in the shops is talking about it. It appears that they were looking for Tom and they thought that he was in the house, was hiding and would not answer the door. Mrs Taylor had went out for a walk with her wee dogs and a cop had seen her before they got to the door. After a wee while one cop went and searched for her and then escorted her home and she opened the door and they went in and Mr Taylor was not at home after all.

Mary Montague you are an absolute disgrace to the human race.
