The investigations are still underway.

I am exploring the detail of the contract.

I hope to be able to respond to you shortly.

Kind regards,

Phil

I think we have a problem here.

As you can see I have been previously assured by Jim Sneddon that there is a policy and contract in place.

What am I meant to believe now regarding these assurances?

Was there a policy and contract in place?

Please let me know.

Thanks

Thank you for this.

It is my intention to review all aspects of gritting policies and resources in the next 2 months.

As such feedback such as that received from yourself is very helpful

Kind regards

Eastwood Park Leisure Centre -

It's only taken 4 years, but congratulations to all concerned.

Car Park and most Pavements were cleared.

Would have been full marks if pavement from car park to zebra crossing had also been cleared.

It's taken a while, but well done !
