My understanding is that this is being withheld at present pending publication by the council sometime in the next 3 months.

Why does it not suit the spin department to release it when it was produced? 😊

Is delaying the report not censorship?

Further Local Councillor reply -

I am not laughing. Yours was not a general information request but a lengthy and detailed enquiry that cannot be answered within the limited time available for an enquiry. Therefore it will be processed under the Freedom of Information Act and be responded to within the appropriate timescale 20 working days.

My thoughts -

I think I'm laughing - a lengthy and detailed enquiry ??
